Crystal Plus+ ✨BPAFree

This collection isn't what it seems to be. Surely they are creatively and colourfully designed with nice graphics, form and grip. But beyond that is what matter most. This collection is BPA-free. Eco-friendly, clear and stain-resistant.

These matters.

The all new BROS Crystal Plus+. Don't judge the bottle by its look.

Steelart ✨BPAFree

Imagination run wild in the all new improved BROS Stainless Steelart Water Bottles.

Taking a break from simplicity, the latest BROS Stainless Steelart collection takes on a stunning makeover.

Visually funkier while structurally softer, they also come in a new cap design which provides a full closure.

Definitely a more hygienic choice!

All BROS Steelart Stainless Water bottles are made from 100% food-grade 304 stainless steel, 100% BPA free, as well as lead and toxin-free, including the non-leaching polypropylene caps. Not to mention, it's leak proof and rustproof too!
